

# MILE FOR MACMILLAN

MACMILLAN +  
GIRLGUIDING  
LASER

## WHAT IS MILES FOR MACMILLAN?

Mile for Macmillan is a fun, easy way to raise money for Macmillan Cancer Support whilst taking part in some physical exercise- the perfect challenge for a new year!

We encourage you and your girls to complete a Mile during the summer term. Challenge your girls to come up with the most exciting way of completing their mile – it could be space hopping, roller skating or rock climbing. Above all make sure it's fun!

Girls can either be sponsored to take part or can pay a participation fee – the recommended amount is £2.

Girls can complete their Mile for Macmillan at a unit meeting, or as part of district, division or county event or independently in their own time. You could even invite parents and families to join in the fun!

This is just one of the ways you can fundraise for Macmillan Cancer Support as part of The Macmillan Challenge and Mile for Macmillan badges are available to purchase to celebrate your social action.

You can do your Mile anytime however we encourage you to do it during the summer term as we have lots of other exciting events happening throughout the rest of the year.

## SENDING IN DONATIONS

When you've taken part in Miles for Macmillan you'll need to send your contributions to Girlguiding LaSER for processing by paying all monies onto your unit bank account and sending a cheque made out to 'The Guide Association LaSER' indicating Macmillan challenge on the reverse and sent to the address below. The cheque should be sent along with a Funds Raised Form and for sponsored activities sponsorship forms should also be included to allow Gift Aid to be processed. Please do not send cash in the post. All monies and sponsorship forms for the Mile for Macmillan challenge need to be received by Girlguiding LaSER no later than two weeks after your event.

Please send your Funds Raised Form and cheque to The Macmillan Cancer Support Challenge, Girlguiding LaSER, 3 Jaggard Way, Wandsworth Common, London, SW12 8SG.
